1 RYAN RICKEY,  
2 called as a witness on behalf of the plaintiff, having been duly  
3 sworn, was examined and testified as follows:

4  
5 DIRECT EXAMINATION

6  
7 BY MR. DAMM:

8 Q. Mr. Rickey, where are you employed?

9 A. I'm employed with the Internal Revenue Service, specifically  
10 with the criminal investigation division.

11 Q. And how long have you been employed there?

12 A. I've been employed with IRS CI since approximately June of  
13 2005.

14 Q. Can you give us a little history regarding your educational  
15 background?

16 A. Sure. I have a Bachelor's of Business Administration with  
17 an emphasis in accounting from the University of Nevada Las  
18 Vegas. I also have a associate degree of accounting from the  
19 Community College of Southern Nevada. And I also graduated high  
20 school here locally in Las Vegas.

21 Q. After you graduated from the University of Nevada or  
22 sometime before, did you go to work for the Internal Revenue  
23 Service?

24 A. I did. I was finishing up my bachelor -- my bachelor's  
25 degree at UNLV. I received a internship or a co-op position

1 in this trial. So just proceed.

2 MR. DAMM:

3 Q. Maybe we can ask Mr. Rickey. Can you tell us the difference  
4 between the last summary and this summary?

5 A. Yes. These two summaries summarize different documents.  
6 The summary that we just looked at it summarizes like we looked  
7 at on the screen, the invoices and the backup documentation  
8 between Mr. Kahre's companies and the other contractors.

9 This summarizes the bank transactions wherein if we  
10 look at the end of this exhibit, a total of 137 million --  
11 approximately \$137 million was cashed by Mr. Kahre during the  
12 time period of 1998 and 2003. So this one summarizes  
13 transactions that took place at the banks and the checks that  
14 are used as evidence of those transactions.

15 Q. Now, to be fair to Mr. Cohan, there may be a correlation  
16 between Summary 2 and Summary 3. Is that --

17 A. Yes, there is a correlation. Those contractors that were  
18 using Mr. Kahre's payroll company would issue a check to  
19 Mr. Kahre in their business name, be it D and L Framing or First  
20 Premier, different contractors' names, and then Mr. Kahre would  
21 take those checks to the banks and cash them and then use that  
22 cash to pay the workers of those companies. So there is a  
23 correlation between the two.

24 Q. So a payment by a contractor might show up on the invoices  
25 in Summary 2?
